

Attorney-General's Department Strategic Plan 2008-2010

Our Vision is for South Australia to be a safe, fair and just place to live, work, visit and do business.

Our Mission To make South Australia a State where all communities and individuals are treated fairly. We are continuing to improve public access to justice services by ensuring that our laws are inclusive and support and protect all citizens. We will continue to build the resilience of our communities, recognising and celebrating the diversity that exists within them and to support the participation of its members. As an organisation we will be progressive to meet future challenges in a changing environment.
