Dear Mr Schutz

Premier Direction

I, Peter Malinauskas MP, Premier of South Australia, direct you, as Chief Executive of the Department for Environment and Water (DEW), to take direction from and report to the Hon Kyam Maher MLC, Attorney-General, in relation to all matters associated with the Adelaide Beach Management Review.

The State Government has halted the sand pipeline project between Semaphore and West Beach, and DEW will be leading a review into options for the management of Adelaide's metropolitan beaches. DEW would typically take direction from and report to the Hon Susan Close MP, Minister for Climate, Environment and Water in relation to such a review.

However, the Minister for Climate, Environment and Water has declared a conflict of interest in relation to this review and as such, I have determined it appropriate that the Attorney-General take the lead in relation to this project.

I look forward to the successful completion of the review.

Yours sincerely

Peter Malinauskas
PREMIER
