

Feedback on the Attorney-General's Department Disability Access and Inclusion Plan (DAIP) actions

We welcome your feedback on our draft Disability Access and Inclusion Plan. Completing the survey below will help us improve the access and inclusivity our services for people living with disability.

The survey will take 5 -10 minutes to complete.

Inclusive communities for all

The actions in this section of the DAIP aim to support social inclusion and uphold the rights of people living with disability.

Examples of these actions include ensuring all stakeholder engagement activities are accessible to people with disability, and the AGD staff induction process includes information about working with people with disability.

Leadership and collaboration

In this section of the DAIP we have included actions that help ensure people living with disability are given a greater role in leading and contributing to decision making and participating meaningfully in all of our consultation and engagement activities.

These actions include providing consistent, accurate and relevant information to the Royal Commission into Violence, Abuse, Neglect and Exploitation of People with Disability, through a dedicated response unit. The AGD will also include people with disability and/or disability advocates in the development, implementation and review of relevant policies, programs and initiatives.
