Dear John,

Review pursuant to section 203 of the Return to Work Act 2014

After a detailed review of ReturnToWorkSA's initial submission to the independent review of the administration and operation of the Return to Work Act 2014 ('the Review'), EML wishes to advise that it has decided not to make a written submission.

It is EML's position that ReturnToWorkSA is best placed as the insurer and regulator of the Scheme to respond to the terms of reference of the Review. EML supports ReturnToWorkSA's position that on all key measures, the Return to Work Act together with the implemented service approach, is delivering better return to work outcomes for workers, at a more affordable premium price for employers.

EML, as ReturnToWorkSA's Claims Agent for over 10 years is proud of the positive reforms that have so far been delivered together and is committed to supporting any further recommendations and changes from the Review that are focused on driving better outcomes for workers and employers.

Yours sincerely,

Kathryn Hogg
Acting General Manager
EML SA
