**Subject:** RE: FOI - Treasurers Review of Government Funding

Hi [Redacted]

Our office has responded to this request with a discovery that no documents were located, following advice from DTF that they documents provided were in relation to Ministerial Office budget rather than a review by the Treasurer of government expenditure.

Afternoon All

I know there's been some communication back and forth about the below FOI request from Kyam Maher. Out of interest only, our Chief of Staff has asked that I ascertain which offices have already responded and whether you had records? (to reiterate, there is no issue with people having replied already, it's simply for our information).

*"Since 17 March 2018, copies of any and all documents (including but not limited to physical, electronic, or written briefs, minutes, emails, diary entries and any other correspondence) regarding the Treasurer's review of government funding and/or Treasurer's review of government expenditure between 17 March and 17 July 2018."*

**Subject:** FOI

Afternoon All!

We have received the following FOI from Michael Brown seeking:

"All documents (including but not limited to reports, briefings, emails, notes, minutes, plans and other documents) mentioning or related to the areas of Para Hills, Para Hills West, Parafield, Parafield Gardens, Mawson Lakes or Greenfields."

We have rung Michael Browns EO and requested he narrow the scope to perhaps include a subject. He has refused. Given we do not register correspondence in Objective using suburbs and also the amount of consultation that would have to occur for each person who wrote to us, I am wanting to know if anyone else received this FOI and if so, what sources did you search and key words etc to ensure you had correctly captured every suburb in the request?

Thanks
